Zachary Alan Whisenhunt,
Appellant,

v.

State of Alaska,
Appellee.

Court of Appeals No. **A-13240**

Order

Supplemental Memoranda

Date of Order: **5/10/2022**

Trial Court Case No. **4FA-16-00872CR**

Before: Allard, Chief Judge, and Wollenberg and Terrell, Judges

This Court remanded this case to the superior court for reconsideration of the motion for a new trial on the ground that the verdicts were against the weight of the evidence. We retained jurisdiction of this case. Upon reconsideration, the superior court denied the motion for a new trial.

Before we renew our consideration of this case, we would like to give the parties an opportunity to respond to the superior court's order.

Accordingly, **IT IS ORDERED:**

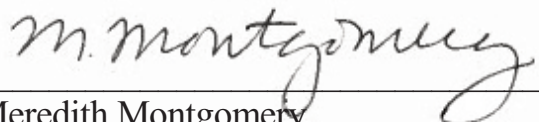

1. The Appellate Court Records Office is directed to supplement the appellate record with the superior court's decision issued on May 2, 2022.

2. Thirty days after notice that the appellate record has been supplemented, the Appellant may file a memorandum addressing the superior court's decision to deny a new trial. The Appellant's memorandum shall not exceed ten pages, and need not conform with Appellate Rule 212, although the response must include appropriate citations to the record and to legal authority.

3. If the Appellant files a memorandum, the State's memorandum, or notice the State will not file a memorandum, is due thirty days after the Appellant files its memorandum. The State's memorandum shall not exceed ten pages, and need not conform with Appellate Rule 212, although the response must include appropriate citations to the record and to legal authority.
